Fall Canoe Day

September 15, 2010

"I treasured our canoe day and the opportunity to reconnect with nature. The experience reminded me how much I miss that component in my life. I'll be back for more!!"

Take a day to fully experience the beauty of the changing season.

Join us as summer begins its transition to fall. A day of paddling and floating on the beautiful St Croix River, just 50 miles from Minneapolis/St Paul. Home to eagle, osprey, beaver, heron, deer, and many other critters, this wild and scenic river will make you feel very far away from the pace and stressors of the city.

This trip is designed with an easy pace, with plenty of time to paddle, relax, take photographs, enjoy some native flute and poetry, picnic along the river's edge, and simply take in the beautiful surroundings.

It's amazing what a day on the water can do for your spirits, you'll come back refreshed and recharged.

No experience necessary, all you need to do is show up. Canoes, guide, a delicious lunch, and all other equipment is taken care of for you. All you bring is your personal gear for the day (when you register, you'll receive a packing list so you can be comfortable, no matter the weather).
